DESIGN & BUILD

Our Columbaria design process is all-encompassing, guiding clients from the initial concept to the final realization. Our team of specialists collaborates closely with clients to design columbaria tailored to the unique needs of your customers.

INSTALLATION

We are committed to supporting you through every step, from initial design conception to seamless installation, ensuring an excellent experience for you and your customers.

COMMUNITY COLUMBARIA

Our community columbaria are constructed to withstand the test of time and serve as a lasting tribute to the members of our community who are no longer with us. Our columbaria are crafted from high-quality granite, these buildings reflect the values of our community and stand as a testament to the enduring impact of those who have left a legacy. By investing in our community columbaria, individuals can create a lasting memorial that honors the lives and contributions of those who have been integral to our shared community.

DAKOTA MAHOGANY®

Dakota Granite® is proud of our domestically produced **Dakota Mahogany®**. Dakota Mahogany® is quarried near Milbank, South Dakota, and continues to be the mahogany granite by which all other granites are measured.

DAKOTA MAHOGANY®

Dakota Mahogany® Rushmore

DAKOTA MAHOGANY® RUSHMORE

Rushmore shares the same characteristics as Select Mahogany but may vary in color and/or texture appearing as streaks and/or spots. Streaks will not be over 1" wide and spots will not be over 4" x 4" or 16 square inches. Rushmore is the value leader from our company and is our largest selling grade.

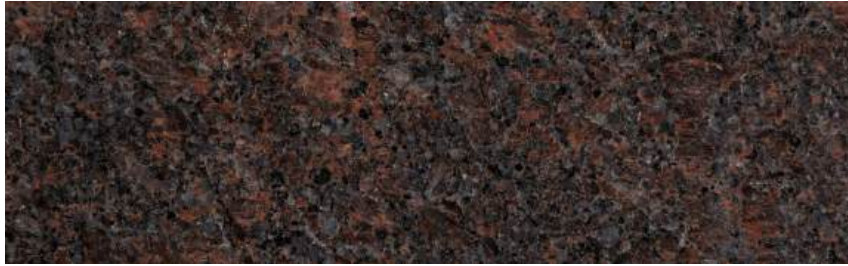

Dakota Mahogany® Sunset

DAKOTA MAHOGANY® SUNSET

Dakota Mahogany® Sunset is a multi-colored granite. It varies from standard granite procedures in that it is selected for a wide range of colors. In addition, it is variegated, with every piece being unique.

SUPERIOR BLACK

Superior Black is one of our most popular granites. It is a black granite with a medium-grained texture that sandblasts and contrasts nicely. Superior Black is quarried in Minnesota and is priced competitively for memorials, columbariums, and mausoleums.

DAKOTA GRAY

Our newest granite, Dakota Gray, is a beautiful yet durable gray-colored stone. Its muted white tones and subtle color mottling make it perfect for memorials, mausoleums, columbariums, and civic projects.

AMERICAN BOUQUET

American Bouquet has been in Dakota Granite's family of granites since 1937. Its primary use has been for monuments, but it's also an ideal candidate for dimensional stone and commercial and architectural applications.
